A big Happy New Year from Lubbesthorpe Alive CIC, your local resident community group. Our aim is to help build a healthy, connected and vibrant community through community activities and events.

Whether you've been here a while or are one of our newer residents we hope you will find something of interest and if you don't, please do get in touch to help us create something together!

We are based in The Hub which is situated next to the school and the play area. The Hub is open Monday - Thursday mornings, as well as other times for events and activities. Do drop in to say hi, the kettle is always on! Alternatively contact us via social media or email at Lubbesthorpealive@gmail.com or call/WhatsApp on 07847 362965.

LUBBESTHORPE ALIVE

Community Wellbeing 1 to 1 Support

We love organising community events and groups but at the heart of our community work is ensuring that when members of our community struggle with issues we can help. This might be something we can do together or by signposting you to another organisation who can help. So ensure you don't struggle alone, drop into The Hub, or get in contact with Sue via email or phone and we'll do our best to help out.
